**Diane Barnet : Inside South Austin: A Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inside South Austin: A Guide:

Quirky South Austin is Austins answer to New Yorks Greenwich Village and the Left Bank in Paris. There may be glittering vistas to the Texas capitol, but the main goal here seems to be to simply keep Austin weird. This book helps folks figure out whats going on from SoCo to SoLa, and where to find gourmet kitchens in Airstream trailers, honky-

tonks, funky shops and RV parks.

About the Author Diane Barnet, a resident of South Austin for 15 years, is a freelance writer whose work has appeared in the Dallas Morning News, the New York Times, Backpacker and elsewhere.
