people found the following review helpful. A must for civil war buffsBy Midwest Book ReviewAll throughout Appalachia and its neighboring regions are historic sites dedicated to the bloodiest era in American history. "Civil War Sites in the Eastern Theater" is a guide to those who want to visit and learn about these sites, focusing on the museums through the region and how to give those interested the best educational experience possible during their travels. "Civil War Sites in the Eastern Theater" is a must for civil war buffs and for community library civil war collections.

The Civil War enthusiast will find much of interest in this guide to more than 20 tours to Civil War sites in Pennsylvania, Maryland, West Virginia, and Virginia. Suggestions for accommodations and restaurants are included, as well as history, trivia, and lore about the sites and personalities of the War between the States.

From the Back CoverFor more than twenty years, the Insiders' Guide series has remained the essential source for in-depth travel information. Each guide is written by locals and true insiders and offers a personal, practical perspective that readers everywhere have come to know and love.
