Vivienne Heines, Scott Williams : Insiders' Guide to Corpus Christi before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to Corpus Christi:

0 of 0 people found the following review helpful. GuideBy Jim0269Seems like a good companion guide for the area, gives enough detail to encourage further exploration. Bought this because my son is currently stationed at Corpus Christi Naval Air Station and I like to learn about the areas he moves to. Ooarah!1 of 1 people found the following review helpful. 8 years passed...By G. Poreckiand still there is no newer guide dedicated to Corpus Christi itself. Sure,

it gets coverage in the various Texas guides (Moon, Frommer's, Fodor's) and sometimes gets a small chapter in a "Texas Gulf Coast" guidebook (like Great Destinations), but still - this is the only guide to Corpus. And is it still worth it after all these years? Actually it is. Sure, the restaurant information is dated, so if you want it for that section don't buy it (though some restaurants haven't changes), however the sections on attractions, parts of the city, relocation, festivals and basically everything else are still very useful. Yes, it's time for a new edition, but as Insider's hasn't done one for 8 years (and doesn't have it in plans at least until mid-2010) I don't think they'll do a new edition of this title, so while this is still in press, it's really a good idea to buy it. 3 of 3 people found the following review helpful. Outdated Info By A Customer As a resident of Corpus, I thought this book would be great to have on hand for out-of-town visitors. However, after just a brief run-through, I noticed several things were out of date. This book was published this year, but lists some places (restaurants, movie theaters, and stores) that have been closed for a year or more. I know they had access to accurate and up-to-date information because they also list new places that have opened in the past year, long after some of the other places they listed closed. What happened?

Written by a local author, this guide includes details about hotels, restaurants, annual events, attractions, nightlife, parks and recreation, real estate, and much more.

From the Back Cover The Insiders' Guide to Corpus Christi offers travelers and newcomers alike the best, most comprehensive information on what's happening in the Texas Riviera. Our Insiders' selection of the best places to dine, to sleep, to play, and to parade make this the perfect traveling companion. Whether you're coming to stay or just to check out the food, culture, and festivals that make this region famous, the Insiders' Guide to Corpus Christi will tell you all you need to know.
