A first edition, *Insiders' Guide to El Paso* is the essential source for in-depth travel and relocation information to this legendary Texas panhandle area with wild west charm. From the Author Born and raised in New Mexico and West Texas, Megan Eaves is proud to call the Southwest home. She began traveling at a young age, finishing her B.A. at the University of New Mexico and going on to earn her M.A. in Intercultural Studies from Dublin City University in Ireland. In between, Megan spent a significant amount of time in Asia and there penned her first book, *This Is China: A Guidebook for Teachers, Backpackers and Other Lunatics* (Lulu Press, 2009). After years abroad, Megan has recently returned home to the sunny Southwest and, newly married to a wonderful man from Ireland, she is enjoying exploring her old stomping grounds with new eyes. When not working furiously on guidebooks, Megan is a freelance writer and publishes a number of articles and blog entries on the Web about the many places around the world that she has visited. Megan is especially fond of El Paso for its unique cultural mix and great food.
