Kate Hertzog : Insiders' Guide to Gettysburg (Insiders' Guide Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insiders' Guide to Gettysburg (Insiders' Guide Series):

0 of 0 people found the following review helpful. loved gettysburg, but not this book By mrsdahousa don't like the style of these "insiders" books. buyer should peak at a page on website before purchasing in case the style doesn't suit you either. Like Fodor's the best. Also, my mistake but I didn't realize the copyright date. this was way outdated 0 of 1 people found the following review helpful. Disappointed By mlwalsh I just got this book for help in planning a trip in a

few weeks. While I will say it is filled with information, it doesn't rank or otherwise place a value on one place over another. I will admit this is the first "Insiders Guide" I've purchased, so it may be the way the guide is supposed to be set up. This book won't much help you choose one place of lodging over another, or restaurant either, and there are so many to choose from, one needs the help. Other guides don't shy away from recommending some properties or restaurants over others, and I guess I'll have to purchase one of those, now. 5 of 5 people found the following review helpful. Gettysburg's Finest Description! By Becky DiRosa The Insiders' Guide to Gettysburg- 2nd Edition is an invitation created for armchair travelers, tourists, and locals!.... One can pass through Gettysburg in minutes...but Kate Hertzog has created descriptions of all aspects of Gettysburg so much so that the residents, proprietors, employees and employers will beam with pride with this written presentation. I have read this work as if it were a novel. The descriptions traipse through bed and breakfasts, restaurants, festivals, shops, museums/historic sites, recounting conversations with locals and owners, and even provide efficient access tips and anecdotes courtesy of Kate Hertzog's detailed and folksy narration. Each entry lists an associated website to provide the latest info. Several times a year I visit my hometown, Carlisle, and annually make a nostalgic pilgrimage to Gettysburg. After reading The Insiders Guide, courtesy of Kate Hertzog's work, I have mentally created at least 5 different themed vacations to Gettysburg.... I'm sure other reader's will do the same... ("This is a small town that fate took hold of and never let go." p.3)

Insiders' Guide to Gettysburg is the essential source for in-depth travel and relocation information to this historic city.

From the Back Cover For more than twenty years, the Insiders' Guide series has been the essential source for in-depth travel and relocation information from true insiders whose personal, practical perspective gives you everything you need to know.
