Jason Rich : Insiders' Guide to Long Island (Insiders' Guide Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insiders' Guide to Long Island (Insiders' Guide Series):

3 of 3 people found the following review helpful. WorthlessBy RG This book is just basically lists of things in Long Island--museums, parks, restaurants, hotels, etc.--seemingly chosen with no particular criteria and with no information about most of them. The "author" conceivably could have never even visited Long Island. It also, laughably, has suggestions for visiting NYC and for weekend getaways from Long Island, as if there weren't enough pointless lists to

fill a book without also including a bunch of better know nearby cities. Because if you're going to Manhattan or Boston, you definitely want to use a guide book about Long Island to get around. 0 of 1 people found the following review helpful. MAYBE I SHOULD WRITE A BOOK??By KenPLEASE DON'T SELL LONG ISLAND SHORT!! WE SURVIVED THE STORM AND MOST PLACES HAVE REBUILT!! AS A GENERAL RULE RELOCATE TO HOUSING NORTH OF MERRICK RD [27A], DONT BUY ON THE WATER, GO SAFELY IN LAND. YOU CAN ALWAYS VISIT THE WATER, ALL ON THE SOUTH SHORE, JUST DON'T HAVE THE WATER VISIT YOU!! YOU WILL FIND NO GREATER AMENITIES, BEACHES, PARKS, RESTAURANTS, BIKEWAYS, SIGHTS OF HISTORICAL INTEREST, KAYAK OR CANOE WATERWAYS, AFFORDABLE HOUSING FOR SENIORS, PLACES TO HIKE WITHOUT TRUDGING UP HILLS AND MOUNTAINS, PLACES TO SPEND QUIET TIMES, AND "STAY CATIONS", RIGHT IN YOUR OWN BACKYARD!! THE NEAREST COMPETITOR, CAPE COD....AND IT IS NO CONTEST!!!! I HAVE BEEN ALL OVER U.S., AND I CHOOSE. LONG ISLAND!!!!!!2 of 16 people found the following review helpful. NOW WHAT?By Paulette MilliganI'd began to research communities on Long Island as that was where I was born, Brooklyn, NY. And last year I decided to go back home, after being away for over 50 years. Now that I'm a senior I was sure to find a Senior Community somewhere on Long Island. Then 'Sandy' happened! All of my plans are on hold because the people that already live there need all of the help they can get in normalizing their lives. So I figured why add to the housing problem. The reason for the 4 star rating is every time I come across this book, I'm filled with sadness. Now, if you can't go home, what?

A first edition, *Insiders' Guide to Long Island* is the essential source for in-depth travel and relocation information to New York's Long Island and includes information for both Nassau and Suffolk Counties. Written by a local (and true insider), this guide offers a personal and practical perspective of Long Island.
