**Kevin Revolinski : Insiders' Guide to Madison, WI (Insiders' Guide Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to Madison, WI (Insiders' Guide Series):

1 of 1 people found the following review helpful. Guide for a former resident. By John PWhite I wish it had more pictures, this guide has very useful information. I spent most of my adult life in this city and I like to keep up with it over the years and this book helps me. It gives a comprehensive guide to Madison and from the perspective of the people in the city. 6 of 7 people found the following review helpful. Nice table of contents, skimpy details. By Photo

Viz Guy Restaurant listings seem to be extensive. Some of the other sections (hiking, nature, ...) have almost no information in them. I bought this kindle version based on the table of contents in the sample, and feel like I just wasted \$9.99.0 of 1 people found the following review helpful. Very thorough book By Jane Harrison I am really glad I purchased this book. It includes a listing of restaurants, motels, shopping, attractions, annual events, things that would be of interest to people (some sections are bigger than others) though most everyone should be able to plan a trip around this book or if you are a local person you should be able to find places to check out that you didn't know were here.. It also includes a short description of the place and also how much the place will cost by a number of dollar signs. Some of the attractions say the exact price ie, the zoo is free and it states that. Hours of operations of places and if they are closed certain days are also included.

A first edition, *Insiders' Guide to Madison* is the essential source for in-depth travel and relocation information to this thriving Wisconsin city. Written by a local (and true insider), this guide offers a personal and practical perspective of Madison and its surrounding environs.

From the Back Cover Your Travel Destination. Your Home. Your Home-To-Be. Madison See the sun set over Lake Mendota. Stroll down State Street. Savor first-class food, drink, sports, culture, and the arts. Life is good here in this university city. Madison rocks. A personal, practical perspective for travelers and residents alike Comprehensive listings of attractions, restaurants, and accommodations How to live thrive in the area from recreation to relocation Countless details on shopping, arts entertainment, and childrens activities
