Mary Bevans Gillett, Sally Barber : **Insiders' Guide to Michigan's Traverse Bay Region** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insiders' Guide to Michigan's Traverse Bay Region:

8 of 8 people found the following review helpful. good detailed descriptions of things to do, go, stay By A Customer This book was the only source that I could find that would provide such detail on things to do in the Traverse Bay Region. It lists tons of restaurants, lodging sites, and things to do (very detailed social night life section).

I only wish they would rate the lodge sites and restaurants. That may have been a tall order though, considering how many they list.

Welcoming, wondrous, warmhearted and whimsical - the northwest corner of Michigan has been a popular vacation destination for more than a century. Plenty of beaches, trendy sidewalk cafes and shops, a sailboat marina, Victorian-style buildings, tree-lined streets, an opera house, golf courses and more can be found here. The Insiders' Guide(r) to Traverse City will help you experience the charm and character of this corner of paradise with the help of local authors who obviously love where they live.

From the Back Cover Welcoming, wondrous, warmhearted and whimsical - the northwest corner of Michigan has been a popular vacation destination for more than a century.
