Nancy Elcock, Sally Wilkins : Insiders' Guide to New Hampshire before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to New Hampshire:

Now available in the updated second edition, The Insiders' Guide provides the most up-to-date information available. Use it to find a quaint bed breakfast inn, plan an escape to the great outdoors, find the right ski resort, hunt for antiques

or if you are moving to the Granite State. This guide provides everything you need to know to be a well-rounded insider.

From the Back CoverUp and down the craggy length of this quintessential New England state, the detailed and organized Insiders' Guide gives you the best of accommodations, restaurants and attractions plus comprehensive chapters on history, getting around and more.
