Very HelpfulBy Megan StewartIt was very helpful in finding places that are popular with the locals, not just tourists, which helped us get to know more people in the area when we moved.6 of 6 people found the following review helpful. Excellent Travel GuideBy EverymanI'm a sports guy from New England, and when I visit Phoenix what I really like about the "Insider's Guide to Phoenix" is the great

information about the area golf courses and tennis clubs, plus the exciting, fast-breaking Phoenix Suns. I also love Italian and French restaurants which Phoenix has plenty of. Whatever your eating pleasure, you can't beat the guide's comprehensive listing of restaurants as well as hotels and motels. I'm not the tourist type, but if you are, you can find lots of interesting and inexpensive attractions for you and your family to visit, such as the Challenger Space Center, the Hall of Flame and the Arizona Science Center.
