Unique information but could be better organizedBy Chicago MomContains some helpful and unique recommendations, but I wish that the sections were organized by neighborhood instead of alphabetically and that some kind of transportation information was provided as well with respect to each site. (It is hard to plan an itinerary for the day or afternoon when you don't know what things are

where.) Still, I believe at the time I bought it it was one of the most recent, up-to-date books on the market. 1 of 1 people found the following review helpful. Logical Arrangement of a "Weird" Destination! By Valerie I purchased this book for an upcoming trip to Portland. I really enjoy how the book is arranged and how one can easily lookup places of interest as well as the many infamous restaurants of Portland! Fingers crossed the suggestions in this book make for a memorable trip! 0 of 0 people found the following review helpful. This was a great book. We had little time to sightsee so ... By Happy Customer This was a great book. We had little time to sightsee so we did not get to use it to its fullest
