Paris Permenter, John Bigley : Insiders' Guide to San Antonio (Insiders' Guide Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insiders' Guide to San Antonio (Insiders' Guide Series):

5 of 7 people found the following review helpful. Very HelpfulBy BettyGThe guide helped us tremendously in finding lodging on our trip to San Antonio. It gave an accurate description of what to expect from our hotel based on the rating. I however found the description of the distance from the airport area to be a little off, but the location was not so far out of the downtown area that we couldn't access everything on public transportation to all of the major

attractions. The guide to the local attractions was spot on. Will use this publication for a trip to another city.

Insiders' Guide to San Antonio is the essential source for in-depth travel information for visitors and locals alike to the Alamo City. Written by locals (and true insiders), Insiders' Guide to San Antonio offers a personal and practical perspective of San Antonio and its surrounding environs that makes it a must-have guide for travelers as well as residents looking to rediscover their hometown. The 5th Edition features a full-color insert.
