Great ResourceBy Jan PaulaI am finding this a great reference for all kinds of things you would want to know in getting to know the area. Seasonal/regional Festivals, snapshots of the flavor of each town are especially helpful and tons of things to do and to see are listed here. Lots of written info. Not many photos or illustrations, which I wish were there as they are so helpful -- but I have found another book to fill in this way that is good at this (but shorter on info). I would recommend it for anyone new to the area or thinking of moving there.
