Nicky Leach : Insiders' Guide to Santa Fe (Insiders' Guide Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to Santa Fe (Insiders' Guide Series):

1 of 1 people found the following review helpful. Black White Santa Fe By John A. Walters Acquiring this guide in digital form had some positive and negative impressions. Positively easy to carry access. Relatively negative with respect to use of pertinent graphics and photography. There was little of either. I used the guide while on-site in Santa Fe during our first visit to Fiesta de Santa Fe. Overall I found enough to educate me on the "inside" essentials. Many times this was simply descriptives of locations, history, events typical of Fiesta time. Often this enabled literacy

enough to anticipate schedules and locations which enhanced enjoyment of the time period ,we were there. History was well discussed and my major use. Generally I found the table of contents reserved and unsupportive of content discovered randomly.0 of 0 people found the following review helpful. Santa FeBy JUDY OMEARAMost of the books like this are limited to who they want to advertise. It was helpful, but limited. Santa Fe is a beautiful enchanting city, which needs to be fully expressed in a book in order to be appreciated. This book did not do this completely and I had to buy other books to fill in the gaps.0 of 0 people found the following review helpful. Four StarsBy robert cgood reference

Insiders' Guide to Santa Fe is the essential source for in-depth travel and relocation information to this beautiful New Mexico city. Written by a local (and true insider), it offers a personal and practical perspective of Sante Fe and its surrounding environs.

From the Back CoverFor more than twenty years, the Insiders' Guide series has been the essential source for in-depth travel and relocation informationfrom true insiders whose personal, practical perspective gives you everything you need to know.
