T. D. Griffith, Nyla Griffith : Insiders' Guide to South Dakota's Black Hills Badlands (Insiders' Guide Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to South Dakota's Black Hills Badlands (Insiders' Guide Series):

11 of 11 people found the following review helpful. Go find a 5th edition copy.By AR_kayakerI picked up this book to take on a trip after thumbing through the earlier edition. Whoever decided on the changes was an idiot. While some

of the information might have been more up-to-date, I'll probably never know. The earlier edition(s) were laid out by area so when you were in a particular place you could quickly reference the book and find a good restaurant/attraction/etc. In this edition all the attractions between the Badlands and the Devil's Tower were in one part and you had to skim through page after page to figure out which ones you might be close to, if there even were any. Too many times we wanted something close by and found only listings for an stuff two hours drive away. The individual listings were well written, but the editor should be fired. 0 of 0 people found the following review helpful. One Star By Evelyn Genta Very poorly organized for Kindle. 2 of 2 people found the following review helpful. Lots of tourist information By S. Rizzo Excellent tour book. Lots of good information on attractions and parks in the area. It helped us to plan our upcoming trip to the area.

Insiders' Guide to South Dakota's Black Hills is indispensable for any visitors to this historic old landscape. This guide points to the best places in the area for lodging, dining, shopping, recreation and relocation. Written by a local (and true insider), it offers a personal and practical perspective of South Dakota's Black Hills including the infamous town of Deadwood. Fully revised and updated, the 6th edition also features a new two-color interior design.
