From Insiders' Guide (NC) : Insiders' Guide to Southwestern Utah by Lyman Hafen (1997-08-04) before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to Southwestern Utah by Lyman Hafen (1997-08-04):

7 of 7 people found the following review helpful. A great guide for first time visitorsBy A CustomerThis book has the best non-tourist type information I have been able to find in Utah tour books. It offers 'friendly' advice and comments on what to do and where to go, and where to avoid. It is simple, concise, and comprehensive. I found the format of the book, which is divided by activities and subjects (i.e. accomodations, outdoor activities, parks, etc) rather than cities/towns to be particularly useful. It was so helpful that after borrowing from the library twice, I decided I couldn't go to Utah without it, so I bought it.
