Dawne Massey : Insiders' Guide to St. Louis, 2nd (Insiders' Guide Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Insiders' Guide to St. Louis, 2nd (Insiders' Guide Series):

2 of 2 people found the following review helpful. Great Book About The St. Louis Metro Area By The Footpath Cowboy THE INSIDERS' GUIDE TO ST. LOUIS is a great book for anyone interested in domestic travel. This book tells you where to find the most enjoyable attractions on both the Missouri and Illinois sides of the St. Louis metroplex, and also tells you where to get the best- and healthiest- food to eat. There is also a long discussion of

different neighborhoods, as well as a section on both childhood and post-secondary education. The radio station list is also comprehensive. True, there is nothing about the area's shopping malls, but that's a minor quibble, as this is a great book that almost anyone can enjoy.³ of 3 people found the following review helpful. Excellent Resource
By E. Laughlin
We used this book on a recent trip to St. Louis, and it was extremely helpful. I particularly liked how it devoted an entire chapter to traveling with children in St. Louis - so we were able to choose family friendly restaurants throughout our stay. I also noticed that some listings were repeated in different places throughout the book, so it was less likely that you would miss something if you looked in the "wrong" place. (eg. family friendly restaurants were also listed in the general restaurants chapter) I would recommend this guide to anyone planning a short or extended stay in the area.

With this guide, readers will get an inside perspective on St. Louis--the city's more than 170 parks, a thriving live music and local arts scene, an abundance of nightclubs and casinos, and world-class sports teams, not to mention the Gateway Arch.

From the Back Cover
For more than twenty years, the Insiders' Guide series has remained the essential source for in-depth travel and relocation information. Each guide is written by locals and true insiders and offers a personal, practical perspective that readers everywhere have come to know and love. History buffs know St. Louis as the starting point for Lewis and Clark's Journey of Discovery in 1804. Today the Gateway to the West is home to a thriving live music and local arts scene, world-class sports teams, and more free attractions than any area outside of Washington, D.C. From riverboat casinos to more than 170 parks, from Missouri's wine country to the world's largest brewer, this authoritative guide will help you enjoy everything the St. Louis area has to offer. Inside you'll find: Comprehensive listings of restaurants, lodgings, and recreational opportunities The inside scoop on such popular destinations as the Gateway Arch, Missouri Botanical Garden, and St. Louis Zoo Countless details on how to live and thrive in the area, from the best Shopping to the lowdown on real estate Sections dedicated to children, retirement, and much more Whether you're planning a vacation, already living in the area, or looking to relocate, Insiders' Guide to St. Louis will show you everything you need to know.
