Bruce Moran, Brown Paula, Corley Patrick : Insidescoop to Walt Disney World Disney's Hollywood Studios before purchasing it in order to gage whether or not it would be worth my time, and all praised Insidescoop to Walt Disney World Disney's Hollywood Studios:

Grab this Magical book Gather the kids (of all ages) Get out the scissors, glue and tape Gear up the Internet AND Get ready to Engage Your Whole Family in Designing Your Best Ever Disney World Vacation with This Uniquely Interactive Scrapbook of Anticipations Keepsake Album Even if you spent 30 days at Walt Disney World Orlando, youd never be able to experience every ride and attraction and or eat at every restaurant. Since most of us can only spend a few days at Disney, we need to make every golden minute count. This means that each family or group member needs to choose ahead of time the specific rides, attractions, and dining options that fit their particular interests and age and then plan accordingly. Thats where I and my team of Disney Geeks come in. Weve already

narrowed the challenge for you by concentrating on only The Disneys Hollywood Studios, a popular Walt Disney World resort park, with its individual areas of Backlot, Mickey Avenue, Animation Courtyard, Sunset Boulevard, Hollywood Boulevard, and Pixar Place. Well show you how to use this bookwith its maps, descriptions, notations of appropriate age ranges, and tipsand various Web sites, too, as interactive tools to educate you and the kids about every aspect of every ride, attraction, and restaurant. We want everyone to make wise I wanna choices and enjoy collaborating to:

1. Create a Scrapbook of Anticipations now, which becomes a take-along picture guide to what each person anticipates: Doing each day in Disneys Hollywood Studios. Read, or allow the kids to read, the description of each ride or attraction. Look at related pictures in the book or visit Web sites listed in the Appendix for photos. Decide which rides and entertainment they want to experience. Cut out/tape the pictures of each ride, attraction, entertainment and restaurant into the allotted spaces, just as my granddaughter is doing above.
- 2) Make a Keepsake Photo Album later, which captures all of your favorite memories and moments after you get home: Remove the taped pictures from the scrapbook and paste personal photos of family members. Childhood glee (or horror)as they experienced various rides, entertainment, or meals. Write captions to the photos or make short journal entries that describe actions or feelings. Share the album with family and friends and keep it as a treasured family heirloom. There are many Walt Disney World Orlando guides available, but this is the ONLY ONE that gives you a convenient way to turn trip planning into a fun family project now and organize your familys antics and adventures in Disneys Hollywood Studios into a keepsake album later.
