**Insight Guides, Joseph Schreiber, Natasha Babaian : Insight Compact Guide Martha's Vineyard** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insight Compact Guide Martha's Vineyard:

10 of 10 people found the following review helpful. Timely and informative  
By A Customer  
I found this guide to be both thorough and user friendly. Loaded with great photographs, it made planning our activities as a family really fun. The suggested routes are very well explained and mapped, and we enjoyed following them around Martha's Vineyard. Next stop, Nantucket!

6 of 7 people found the following review helpful. Great compact guide  
By A Customer  
This handy little guide really proved useful and fun to read, and suggested sites we probably wouldn't have located without it. We visited a number of the restaurants and galleries it suggested and were never disappointed. I recommend this book.

0 of 0 people found the following review helpful. Good size for traveling light  
By sunny swimmer  
We used this little guide for our trip to Nantucket earlier this month (it was our first time there) and it worked really well for us.
