**Insight Guides : Insight Guide Boston** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insight Guide Boston:

2 of 2 people found the following review helpful. Clear, informative, easy to use.By Kathleen SpencerExcellent guide to Boston for the first timer or the native who wants details for great day trip. Filled with clear and informative maps, fun photos and wonderful descriptions of different areas of Boston and the many surrounding attractions. It contains a terrific history section, practical tips on planning your trip, accomodations, restaurants, shopping and sports info and more and even a list of good books about Boston. The book is scattered with helpful tips and recommendations to

enhance your visit. A very attractive book, it's size (about 5 1/2 X 8 1/2 and about 3/4 inch thick) makes it easy to carry around and substantial enough to save as a great souvenir of your trip. I work at a Global Training Center and we use this book consistently to help our visitors plan their sightseeing. I highly recommended this guide.

One of over 400 titles in the Insight series, Insight Guide Boston. This 302-page book includes a section detailing Boston's history, 7 features covering the city's life and culture, ranging from its brick-oven baked beans to its infatuated baseball fans, a visitor's guide to the sights, and a comprehensive Travel Tips section packed with essential contact addresses and numbers. Plus more than 250 enjoyable photographs and 10 maps, including a handy Boston subway map.
