Insight Guide Arizona and the Grand Canyon is an essential guide to one of the most spectacular natural landscapes in

the world. It includes advice on how and when to visit the Grand Canyon, as well as what other sights are worth visiting in the region. Our inspirational Best of Arizona section highlights unmissable sights and experiences, while a comprehensive Travel Tips section gives you all the practical information you need to plan your trip. Our selective listings for hotel and restaurants are the personal recommendations of our local authors and direct visitors to authentic establishments with local character. Lavish Photo Features offer a unique insight into natural wonders, such as the ecology of the Grand Canyon and the regions birdlife, as well attractions such as The Heard Museum in Phoenix and Arizona wineries. Twice as long as the only other full-color competitor, Insight Guide Arizona and the Grand Canyon is packed with fascinating information on this spectacular region, accompanied by stunning photography. A detailed Places section, with full-color maps, guides you around the villages, towns and cities of the Copper State, from the vast expanses of its national parks to the eery emptiness of its former mining towns.
