**Insight Guides : Insight Guides Pocket Caribbean Ports of Call (Insight Pocket Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Insight Guides Pocket Caribbean Ports of Call (Insight Pocket Guides):

0 of 0 people found the following review helpful. Very disappointingBy RichyyrichThe price of the book was under \$5.00 but suggested retail is \$9.99. I still felt this was too much money after reading it. It had little information on the port's I was actually going to. And the map that came with it only showed one of the port's I'm going to. The map is not very detailed its pretty much just sections of a world map. The information that is provided leaves much to be desired. Also the universal information provided that should cover any port that you go to was useless. Typically in travel books they give information on how to stay safe and detailed information about customers, food and local laws.

This book provided little if any of that information. The book was very general, and disappointing in its information. I would say someone made a nice little bit of money off of going on one cruise, and then used information from other books they read to write this one. I should have stuck with a trusted and well known travel guide book company. Even though they cost much more. 0 of 0 people found the following review helpful. There are virtually no maps at all. By W. Hollingsworth I've booked a cruise for the fall and wanted to get an idea of what to look for in the ports were visiting. The information was very limited with links to one or two attractions per port. There were no hidden gem tips, no maps though it advertised it. I had detailed maps. I will seek a refund that I can use for another book. There was no real insight

Insight Guides: Inspiring your next adventure The tropical islands of the Caribbean, arcing like a jeweled necklace between Florida and Venezuela, are famed for their picture-postcard sandy beaches, turquoise waters, and glowing sunshine. Each has a unique character, atmosphere, and flavor of its own, shaped by its people and history. Be inspired to take a cruise by the brand new Insight Pocket Guide Caribbean Ports of Call, a concise, full-color guide that combines lively text with vivid photography to highlight the best that the islands have to offer. Inside Insight Pocket Guide Caribbean Ports of Call: Where To Go details all the key sights on Caribbean cruise ports of call, sailing from major US ports such as Miami and New Orleans, taking in the central American countries and all the islands from Cuba and Puerto Rico to Jamaica, Barbados, and Aruba. Handy maps on the cover flaps help you find your way around and are cross-referenced to the text, while overviews of each major region or island group provide all the essential facts you'll want on your journey. Top 10 Attractions gives a run-down of the best sights to take in on your trip, including St Lucia's dramatic Piton peaks, Mayan ruins at Chichen Itza in the Yucatan, the Grenadines' coral reefs, and tropical rainforest at Les Chutes du Carbet in Guadeloupe. A Perfect Cruise in the Caribbean provides an itinerary for nine days sailing the high seas. Essential information on the history and culture of the islands. .A-Z of all the practical information you'll need, including how to choose a cruise, preparing for a trip, and what life on board is like. There is also a listing of how to contact the various cruise lines. About Insight Guides: Insight Guides has over 40 years' experience of publishing high-quality, visual travel guides. We produce around 400 full-color print guide books and maps as well as picture-packed eBooks to meet different travelers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure. 'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

About the Author Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.
