**From Insight Guides : Insight Illustrated Dream Cruises of the World** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insight Illustrated Dream Cruises of the World:

Cruise ships offer us one of the most appealing and fascinating ways to discover the world. From the comfort of life on board to the excitement of coming ashore in exotic destinations - unique Dream Cruises of the World explores some of the most interesting cruise routes along the world's seas and rivers. Each cruise route is described in detail and the

beauty of the seas, rivers and surrounding landscapes are captured in fascinating photographs.
