By Gisela I think this guide gives complete information and is not too big to handle. It includes an extra map. It will lead us perfectly through our 2-day stay.

This book includes a chapter detailing Washington's history and culture, 13 itineraries and excursions taking in sights ranging from the White House to the world-class museums of the Smithsonian Institution, leisure-time suggestions, and a comprehensive information section packed with essential contact addresses and numbers. Plus dozens of top-notch photographs and maps, including a detailed pull-out map.
