From Brand: College Board : International Student Handbook 2000 (International Student Handbook of Us Colleges 2000) before purchasing it in order to gage whether or not it would be worth my time, and all praised International Student Handbook 2000 (International Student Handbook of Us Colleges 2000):

1 of 3 people found the following review helpful. Its helpful for student who want to study in USBy Ms. Daisy WongIts very cool for me to know more about how to apply a university in US,as a international student from Hk,I really feel dizzy to seach out a suitable collge that I should offer to.This book can give me some hints to seaching out

the right colleges. I can search it out by the tuitions, cities, the toefl score. You should buy it if you don't want the agency office lie you!

A unique and thorough handbook for international students This is a one-of-a-kind directory -- the only guide available for the growing number of undergraduate and graduate resident international students. The handbook gives students detailed facts about colleges' policies and special programs for international students, plus checklists, worksheets, test deadlines, and more.
