From Universal Map Enterprises : Iowa Sportsman's Atlas: Back Roads and Outdoor Recreation before purchasing it in order to gage whether or not it would be worth my time, and all praised Iowa Sportsman's Atlas: Back Roads and Outdoor Recreation:

1 of 1 people found the following review helpful. Going to ReturnBy Dave SlaytonNot at all what I feel a sportsman would want to use.The smaller roads are marked with screened 6 point type. This makes it nearly impossible to read without a magnifying glass.I also discovered, one of my favorite Iowa trout fishing destinations, wasn't even listed on the map.1 of 1 people found the following review helpful. Great resource...By Charles CadenheadI found this book of maps to be great for finding public hunting land. The only set back that I can think of is that it can be sometimes

difficult to tell some of the different roads. I wish they made one for Minnesota. I would buy one.
