With some of the richest topsoil in North America, much of Iowa lies in a cradle between the Mississippi and Missouri Rivers. There is never a shortage of beautiful surprises to behold in the Hawkeye State. Calm, cool creeks meander across the prairie. Throngs of wildlife hide among silver maples in the forest. Secluded springs well up to form waterfalls. Celebrate four distinct seasons in wild and scenic Iowa with this wall calendar. Includes a free download of the TravelDays™ app for the smartphone and tablet, which grants access to the world's best destination photos and backgrounds, fun puzzles, and a calendar featuring picturesque places that will transport you from the day-to-day to the truly memorable.
