Stephen J. Dinsmore : Iowa Wildlife Viewing Guide (Wildlife Viewing Guides Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Iowa Wildlife Viewing Guide (Wildlife Viewing Guides Series):

2 of 2 people found the following review helpful. Great Guide to Find Viewing Spots! By Jennifer Sneed A simple guide to find 77 of the best wildlife viewing spots in Iowa. I can't wait to visit some of the places noted here. This guide not only tells you where and what you'll see, but it also tells you how to get there! Great guide! If I had anything bad to say about it, it would be that I wish it had more wildlife listed and shown. But, overall a wonderful book! 0 of 0

people found the following review helpful. Great guide for wildlife viewing ideasBy Jeanine BeranekI enjoy the guide with tips for each state park and when the best viewing time is in season. Plus the direction and location information is very helpful.0 of 0 people found the following review helpful. Five StarsBy Veronica8good!

Where-to guide to 77 viewing sites of the best locations to watch wildlife including mammals and birds in their natural environment. Official field guide of the Watchable Wildlife Series.

From the Back CoverSeventy-seven sites from prairie pothole wetlands to limestone cliffs along the mighty Mississippi River, through rolling pastoral lands to the prairie and bur oak of the Loess Hills.
