This pamphlet-style foldout guide has very good depictions and descriptions and is plastic coated so you can have it in hand as you stand in the rain, a not-unlikely event if you're birding in Ireland. In-depth descriptions, habits, etc I can look up later. This is so handy! 1 of 1 people found the following review helpful. A Really Fine Field Guide By SC Reader A really excellent pocket guide. I'm planning a birding trip to Ireland and this will be a great addition to my pack. It's just the right size for carrying as well as printed on good stock that a rainy day will not damage. 0 of 0 people found the following review helpful. Birdwatching while traveling By Pamela L. See Great for traveling, they are small and easy to pack and easy to carry. Include the most common birds so I was able to identify the birds in the city.

Ireland's diverse habitats are home to nearly 500 species of permanent or migratory species of birds. This beautifully illustrated guide highlights over 140 familiar and unique species and includes a map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.
