**Samuel Chamberlain : Italian Bouquet...An Epicurean Tour of Italy** before purchasing it in order to gage whether or not it would be worth my time, and all praised Italian Bouquet...An Epicurean Tour of Italy:

0 of 0 people found the following review helpful. not the sameBy Kathryn PostonAlthough the book is different from what I expected it is a good book. There is a book similar to this one about the foods of France and I like the format of that one much better. There are many more photographs of the areas where the foods originate in the French book and that is what I was hoping for in the Italian version. This book has much more narrative to it.0 of 0 people found the following review helpful. Got to have it!By BettyA beautiful book with authentic Italian recipes.
