**Bruce Ingram : James River Guide: Insiders Paddling and Fishing Trips from Headwaters Down to Richmond** before purchasing it in order to gauge whether or not it would be worth my time, and all praised James River Guide: Insiders Paddling and Fishing Trips from Headwaters Down to Richmond:

2 of 2 people found the following review helpful. Good gift for VA fisherman By Aaron M Goodwin Bought as a gift for my Stepfather he really enjoys the book as an avid fisherman/ self proclaimed River-Man. He was happy to read

that the map the author recommends in this book is the same old James River map my Stepfather already owns, which he loves. 1 of 1 people found the following review helpful. Would like more detail in the maps By M. Vogelwell written. Would like more detail in the maps. More about floating would have been more helpful for me. A lot of information on fishing. 0 of 0 people found the following review helpful. Four Stars By Christian89 great book, makes an awesome gift for kayakers.

The James River is Virginia's premier river for recreation, and *The James River Guide* is the key to enjoying it, whether you are an angler, kayaker, rafter, or bird watcher. Twenty-nine locator maps provide vital information on the river, all the way from its headwaters near Iron Gate to the dramatic fall line at Richmond. The longest river in the Old Dominion, the James offers some of the best smallmouth bass fishing in the state. Spring blossoms, fall color, and the fascinating history of the batteaux era's canals lend the James a unique charm. There is something for everyone. River runners will face everything from placid stretches of calm water to white-water rapids that should only be tackled by the most experienced paddler. This new edition for 2015 includes updated and expanded information on favorite float trips, including new coverage of the marvelous Maury River, the main tributary of the Upper James; favorite fishing spots; updated access points; classic fishing lures; and directories of river guides and other resources.

An organizational psychologist provides tools and insights to achieving professional and personal happiness in this debut self-development guide. A tangible, motivational life-planning approach with useful examples. --Kirkus s About the Author Bruce Ingram has spent a lifetime exploring the woods and waterways of his native southwestern Virginia. He is a devoted fisherman, birder, hunter, and paddler, sharing his love of the outdoors in five books and more than 2,000 magazine articles. A high school English teacher by day, Ingram lives with his wife Elaine in Troutville, Virginia. They have two children and two grandchildren. The Outdoor Writers Association of America has honored Bruce six times for writing excellence.
