Ian de Stains : Japan (Business Traveller's Handbook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Japan (Business Traveller's Handbook):

The guide to Japan contains all the information the business traveller will need more. As well as outlining the nitty-gritty of day-to-day business in the country, the book contains an informed overview of the country's long history, where to go in any spare time, the dos don'ts of Japanese etiquette.
