**Jeff Freier : Jets Underground: Wahoo, Joe Willie, and the Swingin' Swaggerin' World of Gang Green** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jets Underground: Wahoo, Joe Willie, and the Swingin' Swaggerin' World of Gang Green:

0 of 0 people found the following review helpful. Covers the team up to the 2010 postseasonBy Doctor KOf all the books that are out there on the Jets, this little one puts the highlights in a compact package. The usual early years as

the Titan of NY are reviewed to the change in culture brought about by Sonny Werblin and Weeb Ewbank. There are nice chapters on Don Maynard, Joe Namath (a pre-requisite of any book on the Jets), the Sack Exchange, and even Chief Wahoo. The author covers the Chrebet/Keyshawn feud as well as the Monday Night Miracle. He also gives love to special teams focusing on the big plays by Leon Washington, Brad Smith and even Chad Morton. This book was definitely written to ride off the wave of enthusiasm after the most thrilling post season victory (and most recent as of this writing) since SB III: Jets 28 Pats 21 to which it ends on a high note. (Could it be the highlight of the Rex Ryan Era? Time will tell). (I am waiting for the next book written after another milestone in Jets history. At this rate who knows when that will be?). Nice value overall for the price. 0 of 0 people found the following review helpful. Three Stars By Phil Foley OK book 0 of 0 people found the following review helpful. Save your money By martinomalley Love the Jets, love the stories, hate the book. Never felt drawn in to any of the stories, weakly written very cliché. At one point claims Joe Namath and Rex Ryan have that same Jets swagger. Maybe one day but, where it stands now Joe Willie has a ring and Rex is just a boob who likes to talk. I would read a soda can if it said Jets on it, enjoy everything Jets except this book.

From the insane to the unbelievable, Jets Underground is a collection of the incredible memories of the storied New York Jets NFL franchise. Notable sports author and journalist Jeff Freier goes behind the scenes of the most important and famous games in Jets history, exploring the legacy of legendary players and personnel such as Joe Namath, Don Maynard, Sammy Baugh, Mark Gastineau, Curtis Martin, John Riggins, Wesley Walker, Wahoo McDaniel, and many more. For anyone who wants to call themselves true New York Jets football aficionados, increase their knowledge of the franchise, and experience the full extent of Jets football, this book is a must read.
