Did he ever find them? Rearden combines twenty previously published articles into a "best of collection," interspersed with fresh insights into a changing Alaska. He shares his favorite stories about: | File size: 46.Mb

Jim Rearden : Jim Rearden's Alaska: Fifty Years of Frontier Journalism before purchasing it in order to gage whether or not it would be worth my time, and all praised Jim Rearden's Alaska: Fifty Years of Frontier Journalism:

For half a century, Jim Rearden has fulfilled a dream-traveling throughout the Far North in search of interesting people, places, and events and writing about them. In Jim Rearden's *Alaska*, this longtime former outdoors editor for *Alaska* magazine has combined twenty-two previously published pieces into a single collection. Articles are interspersed with fresh personal insights into a changing Alaska and are illustrated by many of the black-and-white photographs that appeared with the original articles. Rearden shares his favorite stories of early sourdoughs who challenged Alaska's wilderness in the 1920s and '30s; of encounters with wolves, wolverines, and huge brown bears; of the Alaska Scouts who played a key role in the brutal Aleutian Campaign of World War II; of lighthearted and hair-raising adventures of Alaska's early bush pilots; of narrow escapes from death on Mount McKinley and in the Gulf of Alaska; and of a humorous look at Hollywood's attempt to make a "genuine Alaskan" film. "These articles represent my ideal Alaska," Rearden says.
