Knowing something about the wineries before you arrive makes for a great introduction. It also is an ice-breaker when you are speaking with one of the owners and can relate something you have read in the book. Check out some of the lesser known wineries and you will be pleasantly surprised....Silver Sage and Rustico Cellars....looking for photos? Google 'Grape Escape' for our 2011 trip through Okanagan and Napa Valleys!0 of 0 people found the following review helpful. B. C. wine touringBy Robert DuvalI thought it had everything I was looking for as an aid to the tour. MY disappointment was it didn't any detail maps although all the wineries listed gave addresses and most phone numbers. With out local maps the addresses are not much help to a stranger to the area.0 of 0 people found the following review helpful. The great beauty of Canadian wines!By Fernando P MartinezA great guide for wine lovers, This book it will help you tour every winery @ the Okanagan Valley! A must have!

No serious wine tourist should hit the road without reference to John Schreiner's Okanagan Wine Tour Guide. Laurie Carter, Bloganagan John Schreiner is the palate I will trust blindly because he (a) always gets his facts right (it comes from spending many years as a business and financial journalist), and (b) knows not just what he likes but how to make it himself. If he says its there, there it is. If he says its good, youve got to get it. At \$19.95, the Whitecap-published paperback is the single best investment you can make when setting out to acquire Okanagan wine. A professional gospel choir fills the cellars with spirited hymns while guests wash down southern soul food with the winery's best wines. The entire portfolio at Blasted Church reflects an irreverent take on worship, from the label caricature of a preacher to premium wines called Cross to Bear, Holy Moley and Nothing Sacred.
