Remembrance of Cape CodBy woganThis is a small (7"x7"), 70 page, nicely illustrated book. It is not exactly a cookbook, but more one of memories, which do include recipes of Cape Cod. The drawings are nicely done and colourful.It includes information on the Wampanoags, the 3 sisters gardens - where corn, squash and lima beans are all planted in a mound, then 3 sisters stew which is very good. There are also sections on the Pilgrims, cranberries, fish, shellfish and desserts.You can learn how to make corn husk dolls and bayberry candles. We also made the fettuccine with scallops and shrimp which was a big hit with all of the family.

From cranberries to the catch-of-the-day, this collection of delicious recipes and clever cooking tips is much more than a cookbook. Each page is brimming with coastal secrets only a native would know.
