**Ken Ham : Journey Through the Creation Museum (Revised Expanded Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Journey Through the Creation Museum (Revised Expanded Edition):

0 of 0 people found the following review helpful. Read book before your visit By Mr. Willie Nelson I visited the Creation Museum in April before I purchased the book. I had no idea of what to expect before my visit. It took all day and then I missed several things that I read about in the book. I would suggest buying the book first then make your visit. The book is a souvenir that I can revisit the Museum share with family. 0 of 0 people found the following review helpful. Four Stars By Barbara Backus Very interesting. 0 of 0 people found the following review helpful. Excellent Book By M. Scott This book is full of beautiful pictures and gives the reader an excellent "tour" of the museum. The book is a great resource for anyone that believes in Creation and it is priced just right.

Whether a personal souvenir or a treasured gift from family or friends, Journey through the Creation Museum is a book you will be proud to own! Experience an amazing tour through the Creation Museum (located in Petersburg, KY) over and over again with this beautiful collection of photos and commentary from Answers in Genesis president Ken Ham. Take this walk through history and see how relevant it is to you and your family in answering the challenges of today's culture in crisis. Explore this 75,000-square-foot facility like never before! Glimpse the awe-inspiring universe beyond our world in the state-of-the-art Stargazer Planetarium. Delight in the 29 dinosaurs featured in the museum exhibits, and over 40 human figures from biblical history. View almost 50 masterfully recreated animals represented in various museum settings, such as the Garden of Eden. See the newest features in this revised edition, including the allosaurus dinosaur skeleton, Dr. Crawley's amazing Insectorium, the Museum of the Bible

exhibit, and so much more! Standing as a beacon of biblical truth in the controversial origins debate, the Creation Museum proudly shares important answers with visitors numbering hundreds of thousands each year. From the animatronic dinosaurs to the exquisitely handcrafted Tree of Life with over 30,000 leaves, this book captures the best of over 160 world-class exhibits, as well as the breathtaking beauty of nature trails and botanical gardens that surround it. Enjoy this incomparable apologetics resource for years to come!

About the Author Ken Ham is the president/CEO and founder of Answers in Genesis - U.S. and the highly acclaimed Creation Museum. Ken Ham is one of the most in-demand Christian speakers in North America. Ken's emphasis is on the relevance and authority of the book of Genesis and how compromise on Genesis has opened a dangerous door regarding how the culture and church view biblical authority. His Australian accent, keen sense of humor, captivating stories, and exceptional PowerPoint illustrations have made him one of North America's most effective Christian communicators.
