Travelers Series Publishing : Jr. Travelers Series - Magic Kingdom before purchasing it in order to gage whether or not it would be worth my time, and all praised Jr. Travelers Series - Magic Kingdom:

The Magic Kingdom, the most visited theme park on the planet, is filled with magic and mystery for kids who know where to look. This book includes interactive activities to keep your child entertained and engaged while waiting in line, for a show, or for food, along with day-long activities that will immerse your child in the Magic Kingdom experience. With room for autographs, photos, signatures, buttons, stickers, pressed coins and more, the Magic Kingdom Memory Book brings the park to life in an entirely new way. Best of all, you and your child will enjoy the completed Memory Book for years to come as a reminder of your magical adventure. A family vacation to Disney World and the Magic Kingdom will be even better with a Jr. Travelers Series book. This is a trip you and the kids will never forget. Each Jr. Travelers Memory Book contains activities tailored to specific destinations or themes. While visiting each destination, your child collects items, answers trivia, writes stories, finds objects, or does something particular to that location. As he or she completes each activity, your child will accumulate a collection of items, artwork, stories, and mementos. Some of these are preserved by writing or taping them directly onto the pages of the Memory Book. By simply completing each fun activity during a family outing, your child transforms their "activity book" into a Memory Book that lasts a lifetime. ** GO TO WWW.TRAVELERS SERIES.COM TO LEARN MORE OR VIEW A BOOK PREVIEW **
