Mark J Okrant : Judson's island before purchasing it in order to gage whether or not it would be worth my time, and all praised Judson's island:

0 of 0 people found the following review helpful. A Great ReadBy A CustomerAs a student of tourism planning, I found this book very thought-provoking and informative. The story is very interesting. As I worked my way through a grabbing murder mystery, I was being taught all about tourism development issues in a small community. An ingenious concept delivered beautifully. I highly recommend this book.

Judson's Island is the story of Judson Bailey, leading citizen of fictional Oldtown, Maine. Judson's life becomes intertwined with the powerful Jones family and sinister forces that have been unleashed by an old rival. With coastal New England as a backdrop, murder, greed, political manipulation, and romance lead to Judson's undoing. Can he find the real culprit and recover a semblance of his considerable promise?

About the AuthorMark Okrant is a professor at Plymouth State University in New Hampshire. He has been an active tourism researcher since the mid-1970s, having plied his trade in South Dakota, New Hampshire, Maine, Alaska, Canada and Romania. Mark is past president of the prestigious Travel and Tourism Research Association. He also is the author of the mystery A Last Resort and Sleeping Alongside The Road, recollections by patrons and owners of motels, as well as numerous journal articles, and more than one hundred monographs on tourism marketing and planning. Mark and his wife Marla live in New Hampshire. They have two grown daughters, Robyn and Elisabeth.
