Perfect and has information about Okinawa, Japan in the coloring book!!!By DebbieI lived in Okinawa, Japan and couldn't believe someone came out with a book for children and adults! I also bought Juri Chan Voyages to Okinawa...delightful and very informative!!

Set out on an adventure to the exotic port of Okinawa, Japan in this delightful coloring book. Explore and color the authentic cultural historic designs of this beautiful port in Jur-chan's charismatic story. A coloring book for both children and adults is an enchanting companion to Juri-chan's Journey to Okinawa (Japan travel guide, reference, and souvenir).
