William Chapman White : Just about Everything in the Adirondacks before purchasing it in order to gage whether or not it would be worth my time, and all praised Just about Everything in the Adirondacks:

From the Back Cover It is an excellent thing that these columns about the Adirondacks are here given permanence. They constitute Bill White's love letter to the country where he lived his last years and found his greatest happiness... They are his tribute--and a worthy epitaph.'--Alfred S. Dashiell, former Managing Editor, Reader's Digest
