Very nice! Obviously not a complete-every-species guide, but very nice for a beginner (or in our case, a homeschooled biology student).

Very good field guide. Not a complete guide but excellent for quick reference in the field.

The Kansas Nature Set offers the best in wildlife and plant identification for The Sunflower State. The set includes three Pocket Naturalist Guides to Kansas, Trees Wildflowers, Birds, and Wildlife, and is attractively packaged in an acetate bag. The beautifully illustrated folding guides highlight well over 300 familiar and unique species and include ecoregion maps featuring prominent wildlife-viewing areas and botanical sanctuaries. Laminated for durability, Pocket Naturalist Guides are lightweight, pocket-sized sources of portable information and ideal for field use by novices and experts alike. Made in the USA.

About the Author
