By CustomerI had actually wanted ENGLAND 2009, but looked thru the book and found some places to stay that could motivate a visit soon.

We decided to publish this guide earlier in 2009 so that it will be on bookshelves in time for travelers who want to experience New England in the glory of its spectacular fall foliage. However, with it's four distinct seasons and geographic diversity, New England is a delightful travel destination all year round. It has a very special allure as well as some of the nation's most charming and romantic inns. Follow the suggested countryside routes and explore its six states from Cape Cod and the byways of Coastal Maine and discover Karen's selection of what she considers the best in terms of places to settle in each night. 6 Regional Driving Itineraries, Descriptions of over 170 Places to Stay.
