Kathy Morey : Kauai Trails: Walks strolls and treks on the Garden Island (Kauai Trails: Walks, Strolls Treks on the Garden Island) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kauai Trails: Walks strolls and treks on the Garden Island (Kauai Trails: Walks, Strolls Treks on the Garden Island):

This hike book is the worst one I have ever encountered and I have purchased dozens of hike books for many places over the years. I am not a novice hiker. The maps are bad. There are no elevation gradients. . Which is necessary in the up down up of many trails. The directions to the trailheads are pathetic. If you want to find a trailhead, why must you go to three or four other hikes to get there? In addition, the descriptions along the trails may be good for a seasoned Kauai hiker but not for a first time visitor. If you do not know the tree species what good does it do to tell me to turn left at the Koa tree. I left my copy there should have just pitched it in the trash. . A monumental waste of time.

We barely used this one on our trip. It may be good for someone who wants to know specific info on the trails, but we used what we called the blue bible. Ultimate Kauai Guidebook. I think the format was poor and difficult to read while exhausted from our adventures.

Book is helpful and nicely laid out. Liked that it contained some walks along with moderate to strenuous hikes. Some of the cultural comments are inappropriate and need to be excluded. Ordered for my kindle, and received with the wrong cover. Cover reads Long Trails of the Southeast. This book is Kaua'i Trails: Walks Strolls and Treks on the Garden Island.

From enchanted Hanelei Bay to the rainbows of Waimea Canyon, from Wailua Falls to the sculptured NaPali Coast, Kaua'i has an unmatched landscape and miles of trails for hikers and backpackers. This new edition details 59 hikes: you'll walk along steep cliffs above turquoise water, relax next to immense waterfalls, drink in the sweet scent of Kaua'i hibiscus, and stroll on beaches at sunrise.
