It was a beat copy I would never have selected off the shelf. When I buy something in "new" condition, I don't expect to get the grotty copy. Otherwise, the book is excellent.0 of 0 people found the following review helpful. Just what I needed to plan a trip.By Joel A.Just what I needed to plan a trip.0 of 0 people found the following review helpful. Five StarsBy stephen a johnsonCan't wait to use this guide.

This newly updated and expanded guidebook contains everything readers need to know to plan a short or long paddling trip. It features detailed information on more than 30 kayak routes and covers the skill levels required, trip duration, hazards, and which charts and tide tables to purchase. Eighteen regions from Oregon to British Columbia, including sections on the historic Lower Columbia River and rugged Queen Charlotte Strait are explored. Also provides invaluable information about weather, currents, ferry and air travel, equipment rentals, tours, and more.
