**Dorcas S. Miller : Kayaking the Maine Coast: A Paddler's Guide to Day Trips from Kittery to Cobscook (Second Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kayaking the Maine Coast: A Paddler's Guide to Day Trips from Kittery to Cobscook (Second Edition):

1 of 1 people found the following review helpful. A great guide to the coastBy BanjaretteA great guide to the coast.

Divided into small trips this book explores the coast a section at a time working from the south to the north. Giving several trip suggestions for each area the book also alerts one to the hazards and tides considerations. The book also includes a very nice section on the natural history of the coast, preserves and conservations areas, as well as historical tidbits, landmarks and points of interest along the way. Very well done! 0 of 1 people found the following review helpful. Five Stars By V. Ryan Arrived on time and just what we needed to explore Maine

The most comprehensive resource for sea kayak trips along the entire Maine coast. Dorcas Miller explored every inch of Maine's rocky coast to produce what has become the indispensable resource for anyone who launches a kayak in Maine's coastal waters. In this completely updated edition, she has once again scoured the shore from south to north for the latest information on launch sites, mainland and island accessibility, historic sites, and natural areas. Paddlers at all levels will appreciate the detailed information for planning day trips and multi-day expeditions. Here you'll find maps, diagrams, and photographs; trip suggestions; information on tides, currents, safety considerations and danger zones; tips on low-impact paddling; an overview of Maine's coastal flora and fauna; a list of salt-water campgrounds; and an inventory of guide services, rentals, and sea kayaking programs. Forts and lighthouses, dramatic cliffs and stunning pocket beaches, granite-rimmed islands and half-tide ledges await your discovery. 57 black-and-white photographs and 29 maps

Has a home on every paddler's bookshelf will keep both locals and visitors busy and informed. -- Dave Mention, L.L. Bean Outdoor Discovery Schools  
About the Author Dorcas S. Miller has an extensive background in adventure education, environmental advocacy, and natural history. A former Outward Bound instructor, whitewater guide, Maine Guide, and director of Maine's Becoming an Outdoors-Woman program, she has been sea kayaking since 1983. Her books include *Kayaking the Maine Coast*, *Backcountry Cooking*, *More Backcountry Cooking*, and *Constellation Finder*.
