**Tobias Schneebaum : Keep the River on Your Right** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Keep the River on Your Right:

0 of 0 people found the following review helpful. Although his story is quite unique and incredible, and ...By Xman Although his story is quite unique and incredible, and I truly admire his intrepid and spirited forays into uncharted and deadly territory, I did not find myself glued to the book as one that you couldn't put down. Was it his style of writing... his narration...? I'm not sure. Although, with the exception of his brief incursion into cannibalism, I

duly envy his incredibly dauntless experience.0 of 0 people found the following review helpful. Fascinating and Rewarding Book, a Must Read!By Samuel Johnson StoeverArtfully written, and as much an ethnological piece as it is a story of personal discovery. A short, easy read but I walk away from the book with such an invigorating perspective that I plan to recommend the book to all my friends and family.0 of 0 people found the following review helpful. Five StarsBy L. Acherfascinating

In 1955, armed with a penknife and instructions to keep the river on his right, Brooklyn-born artist Tobias Schneebaum set off into the jungles of Peru in search of a tribe of cannibals. Forgoing all contact with civilization, he lived as a brother with the Akaramas shaving and painting his body, hunting with Stone Age weapons, sleeping in the warmth of the body-pile.

From the Back CoverIn 1955, armed with a penknife and the instructions 'Keep the river on your right, ' the Brooklyn-born painter Tobias Schneebaum set off into the trackless jungles of Peru in search of a tribe of cannibals.
