National Geographic Maps - Trails Illustrated : Kenai Fjords National Park (National Geographic Trails Illustrated Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kenai Fjords National Park (National Geographic Trails Illustrated Map):

1 of 1 people found the following review helpful. An Alaskan Seascape...By HMS WarspiteThe Southeast corner of the Kenai Peninsula in Southcentral Alaska is home to some spectacular fjords, where the glacier-covered Kenai Mountains meet the Gulf of Alaska. At the heart of fjord country is Kenai Fjords National Park, accessible for the most part by boat from the port of Seward. Seward is also a cruise ship stop.National Geographic's "Kenai Fjords National Park-Alaska" map provides topographic coverage of the entire park and the surrounding terrain, including Kachemak Bay State Park, the Kenai National Wildlife Refuge, and Chugach National Forest. The map is two sided, at a scale of 1:105,000, with the Western portion on one side, and the Eastern portion, nearest Seward and perhaps more frequently visited, on the other side. The Eastern portion also covers the hiking trails around Resurrection Bay, Seward, and the area south and east of Kenai Lake. The map itself is water resistant, flexible, easy to read, and easily transported in a pocket or rucksack.The "Kenai Fjords National Park-Alaska" map is highly recommended to travelers planning a visit to the natural beauty of the Kenai Peninsula.

Waterproof Tear-Resistant Topographic MapNational Geographic's Trails Illustrated map of Kenai Fjords National Park is an essential travel companion for outdoor enthusiasts looking to explore the pristine scenery in this area of southern Alaska. Expertly researched and created in partnership with the National Park Service, U.S. Forest Service and others, the map covers popular recreation and adventure points of interest, such as Harding Icefield, Exit Glacier, Resurrection River and Bay, as well as the adjacent Kenai National Wildlife Refuge, Kachemak Bay State Park and Wilderness Park, Chugach National Forest and Skilak Wildlife Recreation Area. Inset maps of Exit Glacier and Seward provide extra detail of these areas. The map will guide your exploration, whether on land or on water. Hikers, bikers and ATVers will find clearly marked trails with mileage markers, in addition to contour lines, elevations, labeled peaks, glaciers and crevasses. The Iditarod National Historic Trail and Seward Highway Scenic Byway are both marked. Boaters and kayakers will benefit from the sounding information, tidal flats, boating hazard areas, island locations and pinpointed seabed formation warnings, beacons, anchorage spots and boat ramps. Other recreation points of interest include trailheads, campgrounds, public cabins, food storage lockers, ski trails, waterfalls and scenic viewpoints. The map also includes background information, QR codes for real-time weather and essential contact information.Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation.Other features found on this map include: Aialik Bay, Bear Glacier, Chernof Glacier, Chiswell Islands, Chugach National Forest, Harris Bay, Kenai Fjords National Park, Kenai Lake, Kenai Mountains, Kenai Peninsula, McCarty Glacier, Nuka Bay, Nuka Island, Pye Islands, Resurrection Bay, Skilak Glacier, Skilak Lake, Tustumena Glacier.Map Scale = 1:110,000Sheet Size = 25.25" x 38"Folded Size = 4.25" x 9.25"
