**James Kavanagh, Waterford Press : Kentucky Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kentucky Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. Quite a hit By T. Hitch My granddaughter was so thrilled with these books. She is taking them on vacation and told me it was the best gifts ever!!! 0 of 0 people found the following review helpful. Less for More By L. Eugene Pelfrey Simple, paid more than it is worth. 2 of 2 people found the following review helpful. Quick bird ID in your pocket By Mike Lomax No information but name and size, just quick identification of approximately 150 Kentucky birds in an 8.5 by 4 inch water resistant pamphlet that folds out to nearly two feet. This is great for the birdwatcher who can wait until they get home to look up information on the birds they have seen. Very lightweight. Just stick it in any pocket and go.

The Bluegrass State is the permanent or migratory home of 368 species of birds, including the state bird, the northern cardinal. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an ecoregion map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

From the Back Cover Kentucky Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you're on a nature hike or in your own backyard, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist (tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (3 1/2 X 8 1/4 folded, opens to 22 X 8 1/4, color illustrations, map) About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
