Discover a place that can comfortably be home to everyone from Trappist monks to soul food chefs, jockeys,

millionaires, Amish farmers, sculptors, and yoga teachers--and that's just the first chapter.

From the Back Cover Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path features the things you'd want to see - if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: "I didn't know that!" Whether you're a visitor or a local looking for something different, let Kentucky Off the Beaten Path show you the Bluegrass State you never knew existed. Hike, picnic, or just daydream at the Bernheim Forest Arboretum and Nature Center near Bardstown; see an artist's rendering of history at the huge Maysville Flood Wall Murals; or discover a stunning array of fluorite crystals and archaeological specimens at the Ben E. Clement Mineral Museum in Marion. So if you've "been there, done that" one too many times, get off the main road and venture Off the Beaten Path.
